Phone Enquiry ID: 2250483 bedroom home in the relaxing town of monto. The home has 3 good size bedrooms with potential for a fourth, set on a good sized block (1130m<sup>2</sup>) it is partially renovated still needing some work for completion. There's currently no kitchen. Work that has been done includes full restumping with gal posts, new colorbond roof, plastering, tiling and some flooring. would be ideal for someone who wants to enter the owner occupier real estate market willing to do some renovating Please note this house is a work in progress and sale is 'as is where is' Toilet, hot water system etc are original and should be updated
