\$600,000 - \$660,000

A contemporary home designed to offer families the luxury they desire with the user-friendliness they require, this impressive dual level residence – already exceptional – is set to be significantly enhanced by the upcoming July 2024 opening of Harpley Town Centre. The proximity to specialty stores and cafes, a pharmacy, gym and Coles and Dan Murphy outlets will contribute outstanding lifestyle convenience while the projected opening of childcare, medical and community facilities later in the year will advance the area's amenity even further. Enjoyment of a location offering such positive growth is made certain by this home's high quality spaces, including downstairs living and dining areas served by a kitchen featuring plumbing for your fridge, walk-in pantry, a free-standing oven and elegant meals island. Four bedrooms and two bathrooms dedicated to family comfort upstairs include a main bedroom with a walk-in robe and ensuite. Custom made Roman blinds grace every room of this outstanding home, while the presence of wifi enabled heating and cooling, an alfresco retreat, Crimsafe security doors, aluminium roller shutters, Swann wired security cameras, a motion detecting alarm system and a double garage complete a comprehensively equipped address.
