Showcasing a modern and stylish design, this superb smart-home is centrally located in a family friendly locale. With hardwood floors and high ceilings adding a touch of elegance and sophistication, the home boasts three generous living areas and adjoining kitchen and dining area. The thoughtfully designed kitchen enjoys a generous walk-in pantry, dual ovens and ample storage. The flowing floorplan opens out to a spacious covered heated alfresco, in-ground pool & backyard for easy year-round entertaining. The accommodation comprises of a lavish master bedroom with a walk-in robe and ensuite, plus three further generously sized bedrooms serviced by a family bathroom. Additionally, the property features a fully integrated smart-home system that controls the lights, heating, cooling, and Sonos plus more. Situated in a highly sought-after area, this property is close to Bentons Junior College, Osborne Primary School, Bentons Square Shopping Precinct, public transport, local reserves and beaches.
