Elegant renovated 4 bedroom house with 2 bathrooms close to the park. Unrecognisable is the best way to describe this home, from change of ownership. Lets start with the new kitchen with extensive dry butlers pantry - a dream for all the cooks out there. As you enter the home into a large family room you know you are going to love this home. The photos give you a strong indication of the styling and room sizes. There is separate dining area, large laundry, amazing bathrooms and all ready for new occupiers. The master bedroom has an oversized walk in robe that is style for privacy and storage in mind. The fourth bedroom is away from the other three bedrooms and has ensuite (this also would be fabulous as a home office with separate entry). The choice is yours, do you not build and move in and enjoy this beauty, or secure it for the future and lease it to high quality tenants achieving a good return until you are ready to move in yourselves. Pull up to the double carport set amongst low maintenance green gardens and see where the inspection takes you. For further details call Sophie Tod. RLA 110
