If you have been dreaming of getting away from it all and living a life of peaceful seclusion yet only a few minutes drive to Somerset's shops, beaches and river this home is for you! This charming 4 bedroom home is set on 4 acres overlooking Maldon Creek surrounded by a cottage garden that bursts with colour all year round. The beautiful gardens have been designed to attract all types of native birds and look their best as they are watered from endless supply of water from the creek. The home features an extensive amount of quality timbers adding to its charm and sophistication. The master bedroom has a private deck overlooking the creek and provides an ideal position for that morning coffee. Through the updated kitchen at the rear of the home is a fully covered deck large enough to host all one's family and friends. An inspection is a must to soak in the serenity and check out the veggie garden, orchards, creek paddocks and studio that would suit the craftiest of folk. This lifestyle property ticks all the boxes: * Charming character home * Maldon Creek * Cottage gardens * Entertaining deck * Quality timber features. Most of all this private oasis is only minutes to Somerset! For a private inspection call Justin Grave today on 0417 579 351.
