Prestige elevated block in the newly developed area in Dawn Estate in Walloon. Sitting proudly on 448m² block this land will allow you to build your dream home for either for you or as a savvy investment. Banjo Drive is a road that has views over the estate and is definitely one of the best sites available at the moment. The owners have reluctantly decided to sell and now offer their dream location to the market. Go for a drive out to Walloon and see what this area has to offer. The commuter train is minutes from the site along with Phat Boyz restaurant, a large IGA, Walloon primary school, doctors, bakery and the all important Walloon Saloon Pub, one of my favourites. To find out about the covenants for this land or a little bit more about the area that I have been selling in since 2008, call me on 0488 773 001 or pop into my Ray White Office at 37 John St, Rosewood for a chat.
