\$1,400,000

This brick abode has been re-invigorated by a recent full renovation. Comprising of a wonderful carpeted lounge room through to the dining area. The family zone is bright and decked with timber flooring and the kitchen is pristinely presented with stone surfaces while owning Westinghouse appliances including a gas cooktop, SS dishwasher and wall oven with microwave nook and a double pantry. Four bedrooms offer a fine retreat and each comes equipped with robes, while the main bedroom has a WIR and gorgeous ensuite. The family bathroom is stunning with a separate bath to shower, huge showerhead and floating vanity. The massive elevated deck with café blinds has fantastic views of the Dandenongs. There's also a private, secure, grassed yard. Further features include LED down lights, garden shed, front porch, ducted heating, split system unit, a laundry with plenty of storage and a single remote garage with rear access and further room for a caravan or additional vehicles. Close to Templeton Reserve, Milpera Reserve, buses, Templeton Primary School, Billoo Park Pre School, St Luke's Primary School, Wantirna College, Wantirna Primary School, The Knox School, EastLink and Westfield Knox.
