This Charming Two Bedroom Home is nestled in the Education Precinct of Mount Gravatt. Backing onto Mount Gravatt High School's main oval, its a short walk to Mt Gravatt State School and St Agnes' Catholic Primary School. The Mt Gravatt Campus of Griffith University is only several minutes drive away. The home is also located within easy walking distance of Logan Rd, where you'll find express bus transport to and from the city to the North and retail shopping to the South. The home itself offers two separate living areas, two good sized bedrooms, master with air conditioning, large kitchen and separate laundry. The yard is practically level, fully fenced and also offers a stand alone single garage. Very charming, with an abundance of street appeal, this home will rent quickly.
