Extended Family Haven Set in Convenient Locale

This is an exceptional chance to own a spacious, full brick family home with a bright single level layout and potential for further development into a duplex or medium-density site (subject to council approval). Ideally located just moments away from Burwood town centre, train station and top-rated schools, this property offers convenience and comfort as is.

Inside the home boasts ducted air conditioning, three generously sized bedrooms, a separate study, two modernised bathrooms, and a spacious eat-in kitchen perfect for family meals. The elegant formal lounge and separate dining area (which either can be used as a fourth bedroom) provide ample space for entertaining guests, while the rear family room opens out to a covered alfresco entertaining area - great for outdoor gatherings. Situated on a corner block with three street frontages, this property offers easy access to off-street parking and features a fully self-contained accommodation at the rear of the property. Don't miss out on the opportunity to make this exceptional property your new home!
