Recently updated and just minutes from the city, this poolside property excels in location and lifestyle. It features self-contained living on each level, including fully renovated ground-floor quarters complete with a kitchenette. Timber floorboards and high ceilings shine upstairs, as does a deluxe family bathroom with floor-to-ceiling tiles. Undercover poolside entertaining completes the family dynamic in this no-through street close to the river, parkland, shops, and more. • Well-presented double-storey home with separate self-contained living on each level • Air-conditioned interior with deluxe modern bathrooms, a family kitchen, and a kitchenette • Sparkling inground pool with a substantial undercover poolside entertaining area • Tandem under-house parking, an under-house workshop/storage area, and solar panels • High ceilings upstairs, timber floorboards, louvre windows, and a gas cooktop upstairs • No-through street near the CBD, the Stadium, CastleTown Shoppingworld, the river and more
