At the end of a quiet cul de sac in beautiful FIG TREE POCKET is 30 Fenchurch. On entry into this delightful, one of a kind designed home you are immediately drawn to the atrium in the middle of the home, it is serene and calming. Both the dining room and the large living area in a U shape around the middle of the house is what strikes you most when you view this home, looking out over the A framed pergola to see wildlife, enjoy the sounds of the birds while cooking dinner on your wider than normal 90cm cooktop. The kitchen will be a delight to cook in, with plenty of benchspace and an abundance of cupboards with entry to your fully fenced courtyard. You have a choice of 2 outdoor entertaining areas either at the front or the back of the property. Polished timber flooring throughout makes living easier for those with allergies, 3 bedrooms open onto a covered patio, the main air conditioned bedroom with ensuite at the rear of the home looking out over the gardens. 2 bedrooms have built in robes with the remaining two having portable industry type robes to be moved wherever suits you most. The separate main bathroom that services the 3 bedrooms is tucked away, it has a toilet in the bathroom, but an additional separate toilet is located in the same area for guests.
