Say hello to this beautifully renovated single-story family home that effortlessly blends space and comfort. Offering three bedrooms, two bathrooms, a generously sized kitchen and multiple living areas, this cherished home has remained in the same caring ownership since its construction in 1986, receiving meticulous maintenance and thoughtful renovations throughout. Welcome home to 30 Galaxy Way, a tranquil spot nestled in Athelstone's leafy surroundings, where rolling hills provide a serene backdrop to your daily life. Situated just moments away from parks, shopping centres, and schools, this is the ideal place to move in and enjoy. Inside, the formal lounge room graces the front of the home and welcomes you with updated flooring and a large bay window that bathes the space in natural light. Across the hall, the master bedroom awaits, boasting a walk-in wardrobe and a stylish ensuite. Positioned thoughtfully away from the rest of the bedrooms, it offers a private and luxurious retreat for the homeowners. Moving into the heart of the home, you'll find a spacious open plan area that encompasses the kitchen, meals, and sitting areas, perfect for both entertaining guests and quality family time. The generously sized kitchen features sleek stainless-steel appliances, including a 900mm wide gas cook-top, oven, and dishwasher. A large island bench with room for four stools creates a cozy gathering spot or a casual dining space. Modern cabinetry, ample storage, a stylish backsplash, and abundant natural light make this kitchen a standout feature. Discover two more bedrooms at the rear of the home, both well sized and featuring built-in robes. The main bathroom serves these bedrooms and features a 3-way layout with a separate washroom and water closet. Floor-to-ceiling tiling, modern fixtures, and plenty of storage complete this space. Stepping outside, you'll find an outdoor haven and entertainer's paradise that is sure to impress. The expansive covered space with ceiling fans and blinds provides an ideal setting for year-round gatherings. A generous grass area invites outdoor activities and sun-soaked relaxation. But that's not all. A detached secondary living area, situated in the converted shed at the rear of the lot, offers endless possibilities for use. Whether it's a teenager's retreat, home office, movie theatre, gym, or any other creative idea you have in mind, this versatile space enjoys connections to electricity, water, and gas. It could even serve as the perfect granny flat. This location truly has it all. Nature enthusiasts will adore the 5-minute stroll to Black Hill Conservation Park, an expansive reserve with scenic walking trails, shaded picnic areas, and beautiful greenery. Athelstone Shopping Centre and Newton Village are both a short 5-minute drive away, ensuring you have all your necessities at your fingertips. Moreover, top-notch schooling options are conveniently close, with Thorndon Park Primary School and Saint Ignatius College just a quick walk away, ensuring a stress-free morning commute.
