It's hard to find a home that is built for the entire family to enjoy!Featuring:- Four good size bedrooms with evaporative vents & built in wardrobes- Main bedroom that is large and features large wardrobe with fit out and ensuite occupying shower and toilet- Study that could be turned into a fifth bedroom- Foyer entrance when walking into the property- Oversized lounge room, dining and kitchen area with an open plan feel, evaporative cooling, floating floors, combustion fireplace and a kitchen that really is the heart of the home with electric appliances, separate soft water tap and an abundance of cupboard space-Oversized laundry area with linen cupboard and separate third toilet- Main bathroom is large and tidy with shower separate to the bath-Storage in the hallway will never go astrayExternally just gets better with enclosed entertaining area that has heaps of space to entertain the extended family. - Drive through to the backyard and straight to the three bay shed with three remote roller doors, concreted to most of the backyard for practicality and low maintenance- Hills hoist clothesline with concrete pathway- Garden sheds- Fully enclosed fencing- Solar panels (approx 60 panels)- Updated evaporative with digital control panel- Views of the mountains front and back- Front verandah with established garden out the front and mountainous views.There is no doubt that they don't build homes like this one, the features are continuous and the location is quiet and idyllic. Charming and practical, be sure to add this home to your list!
