A beautiful modern version based on classic cottage traditions, this vibrant, inviting home is a perfect first family home, a desirable way to downsize and a wise investment decision - its appeal is broad, its position is brilliant! Elegant lines, brick construction and decorative external details indicate an attention to detail that's confirmed and complemented throughout the welcoming interior spaces. 3 good size bedrooms, each with built-in robes, include a main bedroom with its own access to the central bathroom of a design that features a separate w/c and convenient separate laundry. The open-plan appeal of the living and dining area is made immediately clear by its proportions, good size kitchen featuring bench space, modern stainless-steel appliances, ample storage. Ducted heating and evaporative cooling deliver total comfort throughout the home, which is surrounded by low-maintenance landscaping, an exceptional covered alfresco patio and a secure carport with remote control. Mount Ridley College, Modern Medical, Chemist Warehouse, Malcolm Creek, Highland Shopping Centre and Craigieburn Central lead the location's list of lifestyle attractions - ideal!
