An expression of interest campaign to purchase an oversized 440m² approx. corner block, in an established area, close to all amenities. Currently inside the fence line and of 32-34 Grove Road, Marshall that is currently also for sale, 30 Grove Road has its own title and has never been built on since its subdivision in the 1980's. Offering substantially more land size and character than the modern block, it's sure to make a great plot for owner-occupiers and investors alike.
