Options abound here. Love the freshly updated interiors modernised with the character of yesteryear and expansive outdoors of this spacious family home and make the most of this prized central Portland neighbourhood. An enviable position a short walk from Portland CBD and the beach forms a flawless backdrop for this attractive family home, With 3 oversized bedrooms, 2 recently renovated bathrooms this home is instantly inviting. Stylish period interior offering a low-maintenance lifestyle without compromising on space. Opening into an eye-catching open plan living/dining area, the new kitchen with stone benchtops, standout range and vast cupboard space. The home's crisp white interior filters in the natural light from the new custom replaced oversized windows, extending out to the paved undercover pergola delivering the perfect setting for alfresco relaxation and enjoyment. Inside the new clawfoot bath within the family bathroom creates a striking tone, replicated quality within the main ensuite, the main bedroom is accompanied by a wall of robes. Complete with new ducted heating, easy-care timber flooring, quality blinds, a large workshop / single garage and a north-East facing backyard with room for a pool (STCA) or further expanse of the wonderful garden, this quality central home is ready for you and your family to enjoy.
