Type: House

\$270,000

30 Innaloo Street offers tremendous potential for a complete transformation allowing you to create a place to call home or a lucrative investment property. This weatherboard home has three bedrooms, has ample yard space for a growing family or potential tenants. The kitchen and living area feature floorboards, offering a solid foundation for your renovation vision. Ready to be transformed into a hub of modern living. Upgrade appliances, install stylish cabinetry, and create a functional layout that enhances both aesthetics and practicality. Stay comfortable year-round with the reverse cycle unit ensuring a pleasant living environment. The bathroom currently has a shower over the bath, a vanity, and a separate toilet. The current configuration offers a separate laundry with direct access to the backyard. Not only does this property offer great potential for renovation, but it is also conveniently located on the bus route and only a short 10-minute drive to Launceston CBD, adding to its appeal. Contact Jesse to learn more about this renovation project and unlock its full potential. Property Details: Land Size: 668m² (approx.) Build Size: 90m² (approx.) Year Built: 1958
