For Sale

Are you looking for a fantastic home in The Gap with plenty of space for the family - or one that you can work from home and keep work and home life separate? Well, this is the one for you, as this highset home offers an exciting opportunity for families looking for extra room to grow. Move-in ready, but a perfect project for avid renovators, this lovely home atop 607m² awaits your family's vision. There are 3 bedrooms upstairs, an air-conditioned lounge and dining and main bathroom. Downstairs there is an ample sized airconditioned rumpus with kitchenette, separate room at the front perfect for use as a home office or teenagers retreat and plenty of storage. With recently polished floors upstairs and tiles down and a lovely leafy yard perfect for pets, this home is ready to find its new family. This property offers everything your family needs! Around the corner from buses, parks, shops, and even the highly regarded The Gap Primary and High Schools, this property offers an impeccable investment into your future. Please note this property currently has a lease in place until January 2025.
