Step inside this Victorian home and you will find that no details have been spared with the design. Whilst still retaining period features throughout, the design is modern and contemporary. Timber flooring throughout, the open plan kitchen features European appliances with gas cooking and a dishwasher, stone island benchtop, a double sink, and lots of storage. The living room has bifold doors that fully open up to extend the living into the back decked courtyard with rear pedestrian access. Great sized bedrooms with built in robes, one with an ornamental fireplace and the other with a skylight that features a retractable blind! A central bathroom with a walk in shower, stone benchtop and complimented with a neutral palette. The home also includes a rare full sized laundry with plenty of space, and also with a powder room towards the back of the house. Store your items in the fully covered, water proof, side area, a place to store away bicycles, bins, surfboard etc. Heating and cooling throughout, a low maintenance garden, a quiet street in an amazing location close to the beach and to the Bridport St shopping strip, what more could you need? *Arranging an inspection is easy!
