Nothing soothes the soul like a walk on the Beach. This spotless home is just four homes from Woorim Dog Beach and it takes only a short stroll to get to Woorim's centre. With a Brand new colourbond roof recently installed, the property has a large master bedroom & a study nook with air conditioning, two bathrooms plus an ensuite, and a second bedroom with a ceiling fan. Having access from every room to both the main undercover entertainment area and the exterior concreted courtyards. The dishwasher is hidden in the roomy, separate laundry. The kitchen is spacious and has limitless cabinet space. A ceiling fan and air conditioning are present in the combination dining and lounge, which is in pristine shape. Beautiful undercover entertainment area with a view of the spotless lawn and gardens, brand-new garden shed for storing all your gardening supplies, and installed bore watering system. The waves of the sea will get you back to yourself and is the best escape anyone can have. Please give Gloria a call on 0401396217 for your one on one inspection of this gorgeous home.
