Expressions of Interest

There is just so much potential within this property; perfect for a first home buyer or astute investor. This renovated and tidy 4 bedroom home is sitting on a large corner block at 809sqm (with two street access), just waiting for the right buyer to take advantage of its future potential and growth. So if you're looking for space to move, dream and build then here it is. Heddon Greta is perfectly situated, being only a short drive between the Kurri Kurri township (the local shopping district), the ever growing new housing estates at Gilston Heights, and with it being only 15-20 mins to Wallsend down Hunter Express Way - Kurri Township - 3km - Expressway - 3.4 km - Wallsend - 15-20 mins - Newcastle CBD - 40mins - The surrounding area is well serviced by public transport *As always any potential development is subject to council approval. Call Stephen Logan now on 0434 427 007 to organise a private inspection or come to the open house (if not sold before).
