A comfortable family home which has a perfect blend of classic charm and modern elegance. 30 McKiernan Road is situated in a peaceful neighbourhood, close to Gateway Plaza, meticulously upgraded to offer the best of contemporary living while preserving its timeless brick exterior. From the moment you step inside, you will be captivated by the large spaces that encompass functionality, natural lighting and family living. The owners have made several upgrades to the property with upgraded kitchen appliances, new carpets and flooring throughout. A large living space that opens to the kitchen and formal dining space, while offering the flexibility of a second living space or work from home area. All bedrooms have built-in wardrobes and new carpets that are literally installed within the last few weeks and ducted central heating throughout and a split system. Not to mention the fully equipped solar system too. A large double garage with additional storage options also available, ideal for boats, caravans or additional vehicles. A comfortable outdoor area adjacent to the family area. A fully fenced front and rear yard border this 709sqm block. Walking distance to primary and secondary schools, merely metres to the local milk bar too. You will be hard pressed to find properties this appealing with the owners offering a flexible settlement. Inspections welcome.
