With an emphasis on entertaining and functionality, this home is a stunning example of contemporary living that delivers the perfect lifestyle for all the family. The thoughtful and spacious layout provides multiple quiet and peaceful retreats before bringing everyone together into the perfect family and entertaining zone. It's a dream address for discerning buyers on a fully fenced 778m² level block and along the prestigious Mercy Drive, this almost 303m² immaculate home boasts not only four large bedrooms but a full size media room, office or fifth bedroom and oversized rear patio area. Revel in all the added extras that this home has to offer including ducted air conditioning, gorgeous floor tiles flowing through the entire home and patio, a 5.5kW solar system and a new coat of paint throughout the interior of the home for a fully refreshing feeling. With a focus on open plan living, the gourmet kitchen wraps around the island bench whilst also looking over the expansive dining and living area. Double stacking doors open wide allowing this inside living area to flow seamlessly out onto the outdoor living area, creating the ultimate entertaining space. The theme of spaciousness and practicality continues into the Master Suite with a walk behind robe accessible from both sides of the bed, and modern ensuite with a luxurious walk behind shower. As an added bonus, the rear patio extends across to the master suite but with a well placed wall creating a private outdoor lounging space. Complementing the three remaining bedrooms, all with built in robes, is the beautiful bathroom with walk in shower and bathtub, and separate powder room setup that is an essential element for a large family or keen entertainers. The office at the front of the home offers the opportunity to be used as a fifth bedroom with built in robe also. Cozy up on the biggest of lounges in the huge media room, away from the living area and able to be closed off or opened up with double doors. The fantastic exposed aggregate driveway not only allows for easy access and turn around for the side opening, secure double garage, but also continues through the extra wide side access to the back yard, providing ample parking opportunities for cars, vans or boats. Only a short walk down Mercy Drive and you'll find yourself on the waterfront of the blue Pioneer River with walking trails and fishing spots to enjoy. This is a truly gorgeous location within one of Mackay's few premier riverside, residential estates and boasts the convenience of being centrally located to Mackay's major shopping centres, hospital, schools and city centre. This is a magnificent home immaculately presented - the lucky buyers will need only to move in and start enjoying their fantastic new home.
