Grandly alluring with glamorous dimensions and sun soaked entertaining, this luxurious home is a statement in stylish design with its lavish layout unfolding instantly from the moment you step inside, while parents are treated to their own private haven that spans the entire upper level. Beyond its striking façade, the home showcases a breathtaking open plan living, dining and kitchen that's characterized by polished floorboards and highlighted with a fireplace, large windows and high ceilings. Marble benches set the standard in the kitchen where you'll find an island breakfast bench and full array of stainless-steel appliances including a gas stove, oven and dishwasher, while outside you're presented with plenty of space to entertain alongside the low-maintenance backyard. Perfect for the growing family, the four bedrooms are accompanied by a family bathroom and separate toilet, with the entire upper-level home to an opulent master suite featuring a walk-in-robe and dual vanity spa ensuite. Topped off by a long list of extras, such as ducted heating, split system air conditioning, alarm, keyless entry plus a triple garage with rear roller door and gated driveway parking. Incredibly placed within a short stroll of Carrington Primary and Scoresby Secondary, near Waverley Christian College, St Andrews College, reserves, buses, Westfield Knox Shopping Centre and EastLink.
