The original family home, newly renovated throughout, boasts a brilliant location—one of Mitcham's most desirable, leafy streets! Boasting four spacious bedrooms, a lounge, and dining areas with gas heating and split system cooling. An updated kitchen with a stainless steel cooker, dishwasher, and plenty of storage space overlooks the large backyard, which is the perfect place for a trampoline or swing set. The brand new family bathroom has both a bath and shower; there is a separate toilet and separate laundry. With plenty of driveway parking as well as a garage. Walking distance from several bus stops, local shopping, restaurants, and cafes at Rangeview; a short drive from Rangeview Primary and Pre Schools, as well as many other reputable schools; and just 1.5km (approximately) from Mitcham Train Station.
