Embrace the full panorama of family life with outstanding accommodation and a lifestyle location. Free and clear in garden-wrapped surrounds, this accommodating four bedroom, three bathroom home has the perfect family fit with a quiet lounge and a relaxed family zone wrapping an entertainers' deck shaded by a wind-sensor awning ... while a central first-floor lounge zones the vast master-suite into its own treetop space. Prestige appointed with a streamlined stone-finished European appliance kitchen, this stand-out home is appointed in outstanding style with huge bathrooms (including a private ensuite and full ground-floor bathroom), airy plantation shutters plus outdoor awnings, and great storage including walk-in and built in robes. Climate controlled with zones on each level, this well-appointed home has the security of an alarm, the ease of a double auto-garage...and all you need for a carefree life including a low-maintenance, northerly rear yard with a designer cubby to keep the kids entertained, and irrigation to keep plants healthy - including for a lush green vertical-garden. Just a few doors from Little Elephant Café and the Spring Rd shops, and a few blocks to Highett Rd's retail strip and station, this inviting home has the full panorama of lifestyle advantages too; including parks all around, the primary school at the door, and Sandringham Secondary College within a walk.
