Offers Over \$1,375,000

This spacious Bribie Island waterfront home is located close to the local shopping centre with Woolworths and other specialty shops, The Golf & Country Club, Solander Bowls Club, Tennis courts and croquet fields. It offers a fabulous lifestyle for safe boating with an 8 metre pontoon complete with electric winch, water connection and bait box for your catches; all just at the bottom of the yard. The property is positioned on an 806m² allotment with 20 metres of water frontage, and a rarity of full side access for caravans, motorhomes or alike through double gates. Featuring a master suite with walk in robe, ensuite & direct access to the patio 3 other bedrooms with built in robes, air conditioning and ceiling fans. This property has been lovingly renovated with all new bathrooms and spacious kitchen with Caesar stone benchtops throughout, fully repainted including the tiled roof. The list seems endless with other features including, open plan living leading onto the patio, plus formal dining and additional lounge area with a bay window and an expansive outdoor covered patio area overlooking the waterfront and gardens. The double lock up garage comes with remote opener and the yard includes a good sized garden shed. The sellers are keen to see a contract for their lovely home and I extend the opportunity for a personal inspection.
