This stunning property offers the perfect combination of space, privacy, and modern living. Set on a spacious 4-hectare (10-acre) semi-treed parkland, this home is a nature lover's paradise. The four generously sized bedrooms, including an ensuite bathroom attached to the master bedroom, offer a comfortable and luxurious living experience. The functional kitchen with modern appliances opens onto a dining room that can accommodate intimate gatherings or large family dinners. The two separate lounge areas and a family room provide ample space for relaxation and entertainment. The carport with direct undercover access to the home and a large double garage provides ample storage space for vehicles and other items. The property also features a large dam, ensuring a reliable and cost-effective water supply in addition to the tank water. The expansive land is perfect for those seeking privacy and room to run stock or simply enjoy the great outdoors. This property offers endless possibilities for outdoor activities such as hiking, camping, or just enjoying the beautiful surroundings. In summary, this property is perfect for the lifestyle buyer seeking a tranquil and spacious home that offers modern amenities and endless opportunities for outdoor activities. With its beautiful setting, ample living space, and great outdoor opportunities, this property truly has it all.
