A truly exquisite profile introduces this deceptively spacious free standing townhouse enviably poised in the heart of Toorak Village, mere steps from cafes, trams, restaurants, shops and supermarkets, moments from a wealth of esteemed schooling opportunities and Hawksburn Village. Encouraging elite versatility over two levels, soaring ceilings and parquet floors introduce generous proportions, welcoming an abundance of natural light throughout. A formal sitting area or optional home office accesses a private powder room, whilst a spacious open plan living and dining domain offers zoned family entertaining, featuring an oversized stone island kitchen with endless storage and bench space and a dining area relishing leafy courtyard outlooks through an atrium style window. First floor environs host three sizeable bedrooms featuring built in robes, each with ample space for a desk, featuring a primary suite with a walk in robe and ensuite bathroom. Includes a central bathroom with spa bath, laundry, ducted vacuum, under stair storage, private alfresco entertaining enjoying northerly sunlight, ducted heating/cooling, garage and additional off street parking, with further scope to update if desired. Enjoy utter tranquillity for years to come within an exclusive locale.
