## Beachside Canvas

Loved by the same family for over 25 years, this four-bedroom Nicholas Day designed home is located just a stone's throw from the bay beach, Sorrento Sailing Club and township, perfect for those who are looking for the relaxed coastal lifestyle.

Step inside and you'll be greeted by a spacious, light-filled living area, complete with soaring ceilings and a cosy fireplace that anchors the space. The open-plan layout flows through to the dining area and kitchen, creating an ideal space to entertain guests or relax with family.

The generous main bedroom with ensuite enjoys a garden view and a further three bedrooms complete the accommodation. The low maintenance layout offers great separation for family or guests. A second living room opens out to the north facing courtyard which links the two living areas, perfect for alfresco dining on warm summer evenings

Whatever your vision may be, this home inspires dreams and provides the perfect canvas to add your signature style (STCA).

With its prime location and clever architecture, inspection is highly recommended.
