Step inside and feel the love that the owners have for this beautiful family home. To say this home has been well looked after is an understatement. The condition is immaculate and the presentation is outstanding. Built at a time when homes were expansive and room sizes were generous, this property will suit a growing family looking for space, comfort, and style. Features include: level 750 m² block, two-story home with spectacular street appeal, 4 roomy bedrooms, large heated inground pool with spa and fountains, fully ducted air conditioning, security cameras and alarm system, spacious alfresco with a backdrop of lush green gardens, glorious landscaping, solar, ideally located in a quiet street close to all facilities. Quality family homes in pristine condition are hard to find, so it's comforting to know that the sellers are very realistic with their price expectations. Phone Cam for an inspection or price guide.
