A stunning update to a classic Balnarring beach house that offers the perfect blend of luxury, comfort, and convenience. This beautiful house is located in a highly sought-after area of the Mornington peninsula, offering a peaceful and serene lifestyle nestled between some of our best beaches and the picturesque hinterland and winery regions. With its 5 spacious bedrooms, 3 bathrooms and multiple living areas all serviced by reverse cycle heating and cooling, this property provides ample space for a growing family and a perfect home for those who love to entertain guests. The master bedroom is a true retreat, featuring a private ensuite and large walk-in wardrobe with views back out onto the backyard and entertaining areas. The open plan living and dining areas are flooded with natural light and open effortlessly onto the large, covered deck, creating a warm and inviting atmosphere both inside and out. The modern kitchen is equipped with induction cooking, a self-cleaning pyrolytic oven along with a large butler's pantry and breakfast counter. The house is sited on a large block of 973 sqm. Its elevated position on the street creates a sense of space in this semi-rural setting. Apart from several mature trees and the large decks, the back yard provides a blank canvas for you to create your preferred outdoor living environment. The property also offers a garage space for one vehicle and open parking spaces for three more on the dual access semi-circular driveway ensuring that parking will never be an issue. Just a short distance from everything Balnarring village has to offer, including schools, shops, restaurants and beaches, 30 Seascape Ave, Balnarring presents a unique opportunity not to be missed.
