Infused with cottage design charm, this fabulous home reveals itself to be an expansive haven with a flexible configuration that easily adapts to the family's evolving needs. It can offer up to five bedrooms, balancing the allocation across both levels, with parents positioned in an upstairs master graced with views that sweep across the district towards the city skyline. The central entertaining area is elegantly presented with a formal lounge and dining space, set beside the gourmet kitchen which offers a lovely setting for casual meals and courtyard access. Characterised by robust brick and timber construction and modernised with Tongue & Groove oiled oak flooring, this home is impeccably presented with interiors complimented with easy care outdoor areas, conscious that Centennial Park offers all the green space anyone could want. Quality schools and Bondi Junction's retails and transport benefits are also within walking distance.- Huge verandah, mature frangipanni, rear lane access- Timber skirtings & sash windows, ceiling rosettes- Island kitchen, granite surfaces, Gaggenau features- Sunny lawn behind the paved entertaining courtyard- Rare flexibility that offers up to three living spaces- Bed 5/rumpus room with marble fireplace & ensuite- Huge upstairs room serves as teen/creative retreat- Pristine baths with quality hardware, internal laundry- AC - ducted upstairs, BIRs, ample storage both levels- Minutes' drive to popular eastern beaches & the city
