Don't miss this chance to acquire a 538sqm plot of land where you can build the house of your dreams. You'll enjoy stunning views of Port Phillip Bay and the city skyline from your new home. The Wyndham Harbour estate is quickly becoming a premier boating and lifestyle destination, offering a variety of open spaces for residents to enjoy an active lifestyle or simply relax. You'll also have access to the estate's tennis courts, gym, and Sunset Park. Take advantage of the nearby Northern and Southern beaches to unwind with family and friends. Enjoy a refreshing swim in the bay and feel the sand between your toes. The masterplan includes a rejuvenated bay trail that's perfect for leisurely walks or cycling. A boardwalk linking Marina Square to the marina allows you to explore the natural beauty of Wyndham Harbour. Lush lawns and palm trees create a serene resort-style atmosphere. This prime piece of land is only a short walk from the marina, local restaurants, parklands, and the beach. Plus, it's less than 30kms to Melbourne CBD and 40km to Geelong. With unrestricted bay views, this is the perfect spot to build your forever home. The current owner proceeded frame stage and new owner could continue the project.
