The character of this three bedroom, two bathroom property and the flexibility of its free-standing three bedroom bungalow suggest lots of flexibility and a rewarding future for families. Bay windows, bright light and separate formal and informal living areas complemented by an open-plan kitchen define the main home, where a master suite enjoys a zone of its own, separate from two further bedrooms sharing a central spa bathroom. Beyond the rear garden's pergola entertaining area, the bungalow enjoys attractive independence in a backdrop of impressive size while a side drive arrives at a secure garage with drive through rear roll-a-door. Reach Albion Station, Barclay Reserve and Sunshine Town Centre with ease from this ideal, adaptable address.
