Sweeping lawns and well-planned gardens beautifully frame this property, the magnificent views, and the serene surrounds. Located only 15 minutes from both Devonport and Latrobe, this property is perfectly placed for quiet, peaceful living but still an easy drive to city amenities. This home plays with the framing of space, views, and garden and reflects our ongoing desire to prioritise outdoor spaces as much as indoor. Enjoy the privacy and ambience of the generous open plan kitchen and dining space and the adjoining lounge. This home is designed for a family and is the ultimate entertainer. Country views loom large and indoor spaces interact seamlessly with the panorama and outdoor living that's on offer. Interior living flows effortlessly onto both the front deck and the elevated formal entertaining area that is complete with a pizza oven. All spaces are designed for easy living. Four bedrooms are on offer here with the master featuring a large walk through robe and an ensuite bathroom. This property also features a two-bay garage that will appeal to those with toys and who wish to acquire more. A berry patch, vegetable garden, beautiful mature plantings and approximately 2.84 acres to play with. When you combine modern family living with rural perfection, magic happens.
