This property is located in a great street and has a lot of potential to become a great family home or an ideal investment property. Large fully fenced yard, three good size bedrooms, all with built in wardrobes. Spacious separate lounge plus kitchen and dining area. The house does need some renovating but has good bones. This property is priced well and looking for someone to love and put their own mark on it. Located within 15 minutes walking distance to the main shopping center and is on the school bus route to two of the local primary schools and the high school in town.
