On offer in the heart of South Yarra, in a position that speaks volumes, lies this vacant allotment of land on approximately 216m² with the added luxury of 2 street frontages (access from Ellis Street). Re-create the development on this parcel utilising what was once approved by the City of Stonington, being the construction of 9 very large apartments and ground floor retail space, over 7 levels. Expired plans and further information are available on request. Take advantage of prior approval or start from scratch and sculpt your new development. A property just waiting for the experienced developer to purchase and get started. Eleven North Property requires full contact information with all enquiries and reserves the right to refuse to provide information if full contact details are not provided.
