NEW TO MARKET!

An eye-catching mix of modern and character, this stunning renovated cottage is a unique offering. Set on 4 acres of tranquil land, 300-312 Mundoolun Road will welcome you home with its peaceful, rural lifestyle. The home features a fully renovated kitchen with generous storage, integrated appliances, and soft-close cabinetry. Flowing effortlessly into the spacious living area, you'll be comfortable year-round with a fire heater and air-conditioning. The master suite is generous in size and offers air-con for those warm summer nights, while the remaining two beds have ceiling fans and built-in storage. The bathroom has been updated with a large rain-head shower, insulated freestanding tub and custom cabinetry. Outside, you will find a fully fenced yard with a garden, outdoor entertaining area, and an outdoor spa** for relaxation. The property also includes a shed/garage, side access, paddocks, stables with power and water, and animal pens, making it ideal for those with horses or livestock.
