Positioned high and overlooking Woolgoolga's magical coastline, sits this well-built and secluded acreage property with panoramic views of the ocean island and our stunning beaches. From the moment you walk through the front door, you will be welcomed with eye-catching ocean views complimented by hardwood flooring which flows throughout the living and dining areas, and into the functional kitchen. The open plan design is complimented by 4 generous sized bedrooms, all with built in wardrobes, and each having unrivalled views of the stunning Coffs Coast and hinterland. The bathroom downstairs has dual access, this can be used as an en-suite with the adjoining bedroom or left as the main bathroom while the adults get to enjoy the large master bedroom and bathroom upstairs. The kitchen has plenty of cupboard space, preparation areas, and a gas cooktop and dishwasher for convenience. The large deck is set up for entertainment! We invite all those wishing to inspect to submit an application online. Please visit our website
