\$750,000

Sitting on 100 acres of prime cropping land, 300 Parks Road offers an unparalleled rural lifestyle in the heart of Highbury, WA. Boasting a unique design and modern amenities, this property is a testament to comfort and luxury amidst nature's bounty. Originally conceived as two separate residences, this property has been ingeniously merged into a spacious 4-bedroom, 2-bathroom home. Step into a realm of contemporary living with sprawling open-plan spaces adorned with sleek, modern finishes. The rear of the property beckons with an expansive alfresco entertaining area, complemented by a sparkling pool. Perfect for hosting gatherings or simply unwinding amidst the serene surroundings. A large lock-up shed with a workshop provides ample space for storage, hobbies, or potential business ventures. Embrace sustainability with solar panels, offering eco-friendly energy solutions while reducing utility costs. A beautiful garden adorns the front of the home enhancing the property's curb appeal and providing a tranquil retreat. Situated in Highbury, WA, residents of 300 Parks Road enjoy the perfect blend of rural serenity and urban convenience. With easy access to essential amenities, schools, and recreational facilities, this location offers the best of both worlds. Experience the epitome of rural luxury at 300 Parks Road. Whether you're seeking a private sanctuary or an entertainer's paradise, this property caters to all lifestyles. Schedule a viewing today and seize the opportunity to make this idyllic retreat your own.
