Wake up to the sunrise, stretch out with a view, open wide to life in this spectacular corner of the city. Corner-sited and cleverly designed with a faux "Juliet" balcony enhancing views over the northern suburbs to the Macedon Ranges, this two bedroom 30th floor Melbourne Grand apartment opens out to one of Melbourne's most spectacularly sun-soaked views...and a bonus sunrise outlook from a second "true" balcony too! Designed to capture views at every turn, this clever corner floorplan features a window-walled master with ensuite-access to a smart two-way bathroom, a second corner bedroom with its own private balcony, and light-filled central living zoning them apart. Showcasing the signature prestige finish of this landmark luxury group, this benchmark apartment shines with an elite Miele appliance kitchen with integrated microwave and drawer-dishwasher, and a fully-appointed laundry space with washer and dryer. Finely finished with cool stone benchtops, concrete-style tiles and plush new carpets, this luxe design features tall mirrored robes for each bedroom, under-lit mirror-storage for the designer bathroom and e-screen and block-out blinds on floor-to-ceiling double-glazing. Secured by video inter-com, keyless building entry, security lift, and 24-hour concierge, this prestige group adds leisure to city life with access to the residents-only "Lonsdale Club". Offering 5-Star hotel-style lounge, banquet and theatre rooms, dual kitchens and a landscaped BBQ terrace, this exclusive "club" level also extends to world-class resort facilities including an indoor heated pool, gym, sauna and yoga studio. At home in the heart of Melbourne with the Flagstaff Gardens (just one block away) as a virtual backyard, this luxury apartment has every city lifestyle benefit within a walk. There's famous Queen Victoria Market for fresh food shopping, Melbourne Central and Emporium for retail therapy, RMIT for educational opportunity, and Elizabeth St's restaurants for international flavour. There are even endless transport opportunities with the free City Circle train tram at the door, a City Loop line station around the corner, and Southern Cross station's local and regional lines to take you even further! Corner Grand luxury in the best corner of the city now!
