Positioned in the private and secure Parklands complex, this lovely 2 bed apartment offers a spacious floor plan with beautiful parkland views and an ultra-convenient lifestyle. Step inside and be amazed by the light and airy atmosphere of this apartment. Easy going, low maintenance living is promoted by an open design that seamlessly incorporates an air conditioned combined living and dining with a well-appointed modern kitchen including dishwasher. Expanses of sliding glass doors maximise on natural light while promoting the tranquil parkland views that frame the main living areas of this residence. Offering a flawless transition between indoors and out, they also give way to an oversized entertaining balcony. There are two good-sized bedrooms with built ins, the main featuring an ensuite. The main bathroom has a bath tub and laundry equipped with a dryer. This fantastic apartment also comes with a secure car space. Situated right on the border of the CBD, this homely apartment offers all of the convenience of an inner city location while maintaining peace and privacy. It is close to everything that Brisbane has to offer, including schools, transport and many first class shopping, dining and entertainment options.
