Comprising: living room that oozes natural light, a modern kitchen with European integrated appliances, Caesar stone benchtop and dishwasher and also features windows that open up to make an indoor outdoor bar vibe out to the enclosed terrace with fantastic views, a large bedroom with built-in robes and a sparkling modern bathroom. Additionally, the apartment has security video intercom, timber floorboards, a reverse cycle split system in the lounge room and has one undercover security car space (car stacker). All this located in one of Prahran's most desirable buildings.
