\$890,000 - \$950,000

Culminating in a sensational rooftop terrace with sweeping far-reaching panoramas, this better-than-new top-floor apartment impresses with its exceptional finishes, light-filled spaces and 'heart of the village' address where everything you could need – and more – is right on its doorstep. With secure entry and lift access adding to its lock & leave appeal, the beautiful coastal-chic residence is warm & welcoming and enhanced by calming neutral tones including crisp white walls, pale wide-board flooring and soft grey carpet. Positioned to make the most of its northerly orientation, accommodation includes an open plan living/dining area with access to a bay-view terrace along with a sleek & stylish entertainer's kitchen with stone surfaces & prestige Smeg appliances. Both bedrooms benefit from built-in wardrobes. They share a smartly-appointed bathroom with rain shower while a Euro laundry, ducted heating/cooling, ducted vacuum and two parking spaces are among the requisite practicalities. Finalising a truly enticing package and taking in views across the rooftops of the bay, city skyline & even the Westgate Bridge, the rooftop terrace is private & secure and comes with an outdoor kitchen and speakers creating an entertaining space you will be eager to share with family and friends. Perfectly positioned for both busy professionals and lifestyle buyers, the home is just footsteps to the station and Hampton's fabulous selection of shops, cafes, restaurants and bars. For more information about this stunning bay-view apartment contact Misty White or Marc Stafford at Buxton Sandringham.
