Located in the Eastern Suburbs - between the beaches and the bays - the brand new release Hillsanda will be a landmark address in the Hillsdale precinct. Featuring one, two and three bedroom apartments, the innovative and sophisticated design reflects both superior apartment living and the relaxed beach-bay-way-of-life. Cherish the earthy colours and refreshing breezes. Relax within your sunlit indoor-outdoor spaces with glass balustrades to enhance the seamless surroundings. Generous in proportions, each apartment maximises its free-flowing design layout. Privacy screens and translucent glass present seclusion, while the building's security adds to your well-deserved serenity. You're home at Hillsanda. Hillsanda was creatively refreshing for the firm - comprising only 46 apartments the approach became more boutique. Inspired by the suburb's setting between the beaches and the bays, the visionary design includes a selection of communal spaces for all seasons - from a serene, leafy retreat within the grounds to the top-floor-BBQ-entertaining terrace. Take in the views. Make the memories richer. Live central to everything. Be anywhere quickly. Walk to lush green-filled recreational spaces. Five minute drive to Westfield Eastgardens Shopping Centre. Mere minutes to Maroubra's surfing beaches and the protected swimming bays around Botany Bay. Sydney Airport, NIDA and UNSW is a super-fast 10 minute commute. Hillsanda is only 10km from Sydney CBD too. Relax, recharge and see Sydney your way.
