\$595,000 - \$650,000

Situated in a well maintained, exceptionally secure apartment block with lift access up to the third level & lush garden surrounds, this generously proportioned apartment in a sought after lifestyle location is sure to impress. Whether you're a young professional tapping into the market or a savvy investor looking for a solid opportunity, this easy care, terrifically based abode, designed to capture light & deliver a low maintenance lock & leave lifestyle, is an ideal entry opportunity & the perfect base to come home to. A spacious carpeted living & dining zone leading out to a sunny entertainer's balcony & served by a well appointed kitchen with stainless steel appliances (including dishwasher) greets you on arrival. While away from the living zone, a good sized main bedroom with walkway of built-in robes & ensuite, a comfortable second bedroom also with mirrored built-in robes & a sparkling central bathroom with shower over bath & laundry facilities completes the accommodation. Other features include video intercom entry & basement parking for one car. This conveniently located, wonderful lifestyle opportunity is close to vibrant Chapel & High Street's retail & dining precincts & a choice of public transport options - offering a hassle free lifestyle of convenience surrounded by excellent lifestyle amenities.
