St Kilda Road convenience in a delightful garden setting. Featuring an expansive open plan living and dining zone flowing seamlessly to the wraparound balcony. Designed to maximise northern light, every room benefits from full height double glazed windows flooding each corner with natural light - rarely found in apartment living. The streamlined European kitchen has an abundance of stone bench space and storage, an integrated dishwasher, stainless steel gas hotplates, an electric under bench oven, fridge cabinet, a large double door pantry and hidden appliance cupboards. The master suite is a relaxing self-contained retreat, comprising a king sized bedroom with full height double glazing and its own balcony access. A generous walk through robe leads to a luxuriously appointed ensuite bathroom with a spacious mosaic tiled frameless shower and marble features. A second queen sized bedroom has a wall of built in robes and window overlooking the central garden. The similarly spaciouly second bathroom gleams with mosaic tiles, a full sized bath and a cleverly concealed European laundry. Includes ducted heating and cooling to every room, video intercom access and one secure car parking space. (not a stacker) Facilities include a heated pool, spa, full gymnasium, BBQ and outdoor dining areas nestled amongst landscaped grounds, visitor parking, state of the art security and an onsite building manager. The complex is walking distance to South Yarra Primary, Wesley College, Melbourne Grammar School, Fawkner Park, The Tan, Prahran Market, Albert Park Lake and an infinite array of cafes, restaurants and fashion.
