Situated in an impressive position near Merri Creek and cosmopolitan High Street, this gleaming one-bedroom apartment beckons first-time buyers and investors with its bright interiors, abundance of natural light, lifestyle benefits and accessible locale. Set on the third floor of a boutique contemporary complex, the apartment opens into a bright central living space, whose flexible layout flows over floorboards from a pristine kitchen out to a sun-kissed North-facing balcony taking in unbroken, sweeping views. The large bedroom is home to mirrored robes and a light-filled study nook, and the bathroom hosts a walk-in rainfall shower and generous mirrored cabinetry. Additional features include European laundry, split-system heating/cooling, a secure garage car space, storage cage and plenty of communal bike racks. Beautifully positioned for easy Inner North living, you're just steps away from trams, trains and the Merri Creek Trail. Stroll to all the cafés, restaurants, cinemas and boutique retail lining beloved High Street, to Fitzroy North Village or East Brunswick Village, or to an array of nearby parklands. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
