PERFECT GROUND FLOOR VILLA IN EMERALD LAKES

Ground floor apartments are always in demand and when they are presented like this one, well it's another level.

Situated in the gorgeous Emerald Lakes estate this spacious home is one of only four units and features open plan living with high ceilings, a stunning kitchen with stone benches and stainless steel appliances including a gas stove. The study flows off the kitchen and the bedroom are spacious with the main featuring an excellent ensuite with double vanities and spa bath. Outside is the undercover north facing entertainment area with plenty of room to entertain your guests.

Privacy is assured with high fencing and security gate to your front door. As part of the body corporate there is a terrific pool and BBQ facilities right next door to the property so you can treat the them as your own!

An inspection is a must.
